- 3 FOLLOWS [EFFECTIVE JULY 1, 2006]: Sec. 6. (a) Except as
- 4 provided in subsection (e), whenever a local authority in the authority's
- 5 jurisdiction determines ~~on the basis of an engineering and traffic~~
- 6 ~~investigation~~ that the maximum speed permitted under this chapter is
- 7 greater or less than reasonable and safe under the conditions found to
- 8 exist on a highway or part of a highway, the local authority may
- 9 determine and declare a reasonable and safe maximum limit on the
- 10 highway. The maximum limit declared under this section may do any

 6 speed permitted under this chapter for an urban district. **However, an**
 7 **engineering and traffic study is not required to be performed for**
 8 **the local streets in an urban district under this subsection if the**
 9 **local authority determines that the proper maximum speed in the**

 12 times or during hours of darkness or at other times as may be
 13 determined when appropriate signs giving notice of the altered limit are
 14 erected on the street or highway.

15 (d) Except as provided in this subsection, a local authority may not
 16 alter a speed limit on a highway or extension of a highway in the state
 17 highway system. A city or town may establish speed limits on state

 19 established under this subsection is valid only if the following
 20 conditions exist:
